

# Translucent and Water Clear Acrylics for Bath and Shower Enclosures

## CLEARLY THE BEST

Whether you need translucent or water clear, standard or custom width, you can count on Capital Tape's products to blend in beautifully. And they're as easy to install as they are on the eyes. Our tapes bond metal or plastic to glass and ceramic tile in no time, regardless of heat or humidity.

### FEATURES

- Translucent and water clear versions
- Plastic liners
- Standard and custom widths available
- 20 foot rolls available

### PERFORMANCE

- Life long performance for interior and exterior applications
- Excellent resistance to chemicals, UV, heat and humidity
- Superior performance in the harshest environments
- Clean, safe to use
- Short rolls for single jobs; no wasted tape

### STORAGE

- Store tape in a clean area free from exposure to direct sunlight, moisture or heat. (50% Relative Humidity - under 80°F is ideal)
- Shelf life is one year under these conditions
